2:00 - Event concludes

***** SCMC/TCUSA reserves the right to change this schedule at any time during the weekend. *****

Hyperdrive:

The SCMC/TCUSA will be offering Hyperdrives over the course of the weekend. A Hyperdrive is one 30 minute session in your car with an in car instructor. You still have to fill out all of the forms, have a helmet, be at the driver's meeting and your car must pass a tech inspection. For this event, simply mark through the one day fee and write "Hyperdrive" on the form with a rate of \$60.00 per session, thanks.
