

2018 Snakes vs. the Dragon

Thanks for attending our Dragon Run event. This event is a family oriented event where there is not a car show or an on track event. Due to changes in the water not being released on Friday, we had to change our original white water venue. Please note you can still run the white water event but it must be done on Thursday instead of Friday. On Friday, we will all meet for dinner at 5:00 p.m. at Bennett's BBQ as the restaurant comes highly recommended by some of our members.
