

SCMC Southern CA Chapter Has Its First Official Outing!

It was a great day we had yesterday for our first club event. Everyone had a good time and enjoyed the wonderful drive to Santee, California. The rain held off and road conditions were good for our trip. We had 4 club and 1 future club member along for the event. We concluded our day with lunch at Gaetano's Italian Restaurant in Tierrasanta, CA. I want to personally thank Deb Manley, Aaron Becenti, and Alex Ortiz for making the 140+ mile trip! It was a long day for sure! Dyno Day participants were as follows:

Debbie Manley
Aaron Becenti
Jeff Beaman
Gene Hammed
Alex Ortiz and Friend

The Dyno results are as follows:
