

SCMC Has Its First Event at Ted Russell Ford

The SCMC had its first SVT, Mustang, and Ford show at Ted Russell Ford in Knoxville, Tennessee, on October 4, 2003. It was a great day for a show, a little on the cool side in the morning and somewhat overcast but the results were very impressive for our first show in Knoxville, TN.

(Stuffing goodie bags is easy when you do it as a group. Everyone made a game out of it)

It all started with a club dinner at a local Italian restaurant on Friday evening. Lots of good conversation and teasing at the table was the order for the night. Afterwards we went back to the hotel to stuff goodie bags for Saturday's show.

(This Cobra R was confiscated by the Knox County Sheriff's Department)

There were all sorts of cool Fords at the event which sported 50 show participants.

(Our Cobras were lined up for the event)

We had 15 SVT Cobras at the show and a host of Mustangs and Fords. We also had a surprise from the local AC Cobra Club who attended the event with 8 cars.

(The local AC Cobra club came to the event)

(There was also a Daytona Coupe showing)

(Jimmy Casteel brought his 1938 pick up truck to the show)

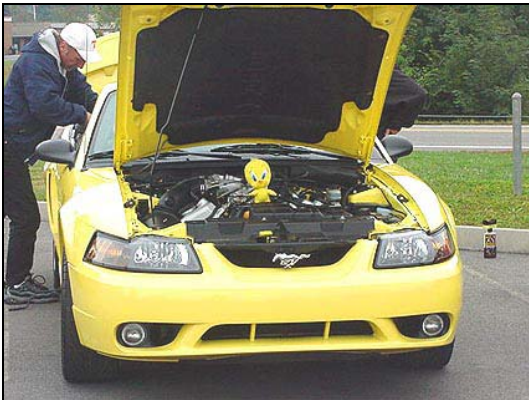

(Burke Dawson brought his pride and joy)

(Jerry Joyce brought his 1987 Ranger)

(Cars were lined up facing each other diagonally)

(Jeri Galla brought her 2001 Convertible)

(The crowds got thicker and thicker)

(We had several older Mustangs at the event)

(We had our show tent set up and ready to go)

(Lots of great stories are told at car shows)

(Amber Rockwell, Binky Dangerfield, and Crystal Lorah did a top-notch job handling registration)

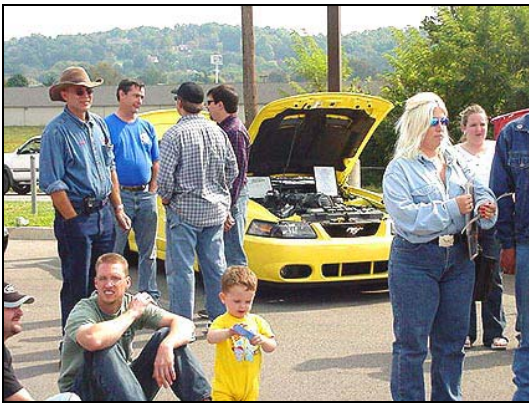

(There were several fox bodied Mustangs and Lightnings at the show)

(We had lots of spectators at the show; several Cobra owner on-lookers joined the club)

(Everyone was checking numbers while we gave out the door prizes)

(Like most SCMC shows, everyone walks home a winner)

It was a great show and you could tell a lot of thought and energy was put in to the event. Ted Russell Ford was great to work with as they had everything running clockwork. The SCMC would like to thank them for their hospitality, support, and generosity. **A special thanks to Mr Ted Russell and Stuart Brabston!**

We would also like to thank the following people who helped out at the show in no particular order:
